Invitation

to the 49th International Stuttgart Autumn Show of Minerals, Fossils and Precious Stones at the "Schwabenlandhalle" Fellbach on October 19th and 20th, 2019

Dear exhibitor,

our 49th Autumn Show in Fellbach in 2019 was a success for everyone taking part in it. Therefore we would like to invite you to be one of those participating in this year's event. With this letter we gladly invite you to become an exhibitor at our show in 2019.

Once again we want to give to the large circle of collectors and friends of mineralogy, geology and palaeontology the opportunity of looking at, inspecting and purchasing from our exhibitors – and that could include you - minerals, fossils and precious stones. Microscopes, UV-lamps, specialized tools and literature are also included in the objects we offer.

We are gladly awaiting your application for our show. Any wishes, suggestions etc. from your side should be stated together with your application and will be taken into due consideration. The allocation of the place of your stand in the hall will be performed by the show's organization team to the discretion of the organizers and the orders of the owners of the hall. The organizers of the show retain the right not to accept an application.

Location **Schwabenlandhalle, Tainer Straße 7, D-70734 Fellbach**

Opening hours Friday: 17:00 – 21:00 (only for dealers, have booked Friday option)

Saturday: 10:00 – 18:00 and (at 06:00 for dealers)

Sunday: 11:00 – 17:00 (at 09:00 for dealers)

Fees for exhibition tables **€ 70.00/meter**

We will keep the current regulation for Friday construction. Initially, we charge € 10.00 per meter and refund you after the fair the amount we did not need to cover the costs of the hall.

Snacks will be provided by the catering organization of the Schwabenlandhalle.

Costs for electricity are included in the fees. During the night from Saturday to Sunday a guarding team with dogs will be active in the building.

The application closing date is June 30st, 2019.

In recent years our stalls and stands have been booked slowly early. You should therefore secure your stand as early as possible and send your application form, filled in completely, to us of the organizing team at the address stated above. A confirmation of your booking and the allocation of the

position of your stand in the exhibition hall will be determined after the application closing date. We do, of course, ask and expect you to accept our 'Rules of the Show'.

After receiving our confirmation you should without delay credit the amount due (according to the confirmed number of meters) to our bank account. Do not send any cash. In case of delayed payment your application can be regarded as invalid. The ordered meters of exhibition tables will then be allotted to somebody else. If a dealer has to revoke a confirmed reservation after July 31st, 2019, we will have to keep € 40.00 as fee for the cancellation. Please understand that we have to keep 80% of the fees in case of a cancellation from 7 days before the opening of the show – unless the organizer is able to allot the space to someone else.

We will perform numerous advertising activities for the promotion of our show: Newspapers, radio stations, posters, flyers etc. will help attract visitors and customers as will advertisements in trams and the local subway trains. Our entrance fees are very moderate.

If you want to support this and would like to have some advertising material for your own use, we will gladly send you some posters and flyers.

Exhibit your 'treasures' – and profit from the readiness of the visitors to buy something beautiful in the pleasant ambience and atmosphere of the exhibition hall. With the articles and specimens that you offer you can add to and broaden this diversity. Take advantage of our reasonable stall fees that come without any further or additional costs. Do yourself the favour of being an exhibitor at the Fellbach show. Be there when it is "Welcome into the Schwabenlandhalle"!

The management of the show acts only as organizer of the show. It can, therefore, not accept any liability.

For a list of hotels in the neighbourhood of the exhibition area and all other informations around the show, look to our homepage www.mineralien-fossilien-stuttgart.de. If you want to receive reduced free tickets (4.00€ / ticket) for your regular customers, please let us know how many you would like to have forwarded to you. In case you would like to have a look at the exhibition hall, the "Schwabenlandhalle", or need to get detailed information on how to get there, please use the internet at **www.schwabenlandhalle.de**.

We are looking forward to your participation in this year's show in Fellbach.
